Hi Family and Friends!

As many of you know, I'm a huge animal lover, and my pet(s) *[name or names]* mean the world to me. Recently, my furry family member needed veterinary care, and Mission Animal Hospital made that possible for me.

*[Tell the story of you and your pet's visit to Mission]*

I believe that everyone deserves to experience the love of a pet, and no one should have to make impossible decisions about their pet's veterinary care.

That's why I'm asking you to support Mission Animal Hospital's work with a donation today. Every dollar donated to Mission goes right to helping pets in need.

There are more than 19 million pets living in underserved communities, and nearly 70% of those pets have never had any veterinary care. Over 1 million families are forced to surrender pets each year, many times it's because of the cost of veterinary care.

Mission Animal Hospital is on a mission to reduce barriers to high quality, compassionate veterinary care, and ensure that all families can get the care their pets need. Plus, donating to Mission makes a real impact for pets in our community. A recent study found that for every \$1 donated to Mission, there is a \$4.64 social return on investment.

Thank you so much for your support!

Hi friends and family,

The holidays are right around the corner, and during this season of generosity I humbly request that you make your gift to me as a donation to Mission Animal Hospital. This cause is so close to my heart.

Mission Animal Hospital serves thousands of pets each year, and many of those pets have nowhere else to turn to receive the care they need. Every family deserves to have the love of a pet, and I know you agree. That's why I'm a supporter of Mission Animal Hospital and why I'm asking for you to join me in making a donation to Mission this year.
