Sharing your Fundraiser!

The easiest way to share your fundraiser is by clicking on the icon on your dashboard to copy the link to your page, and paste that into your email, Facebook post, or other method of sharing.

The screenshot shows a fundraising dashboard for "Mission Animal Hospital" and "Mission Paw-looza". The page title is "Susanne and Ranger's Mission Paw-looza Page - Susanne Bushman". A black arrow points to the share icon (a blue link icon) in the "Promote Your Fundraiser" section. The dashboard also displays a progress bar for "\$112.94 of \$1,500.00" (8% complete) and a "Notifications" section with three recent donation entries.
